LECTERN-V

MOBILE LECTERN WITH 19" MODULE WITH 19" RAILS (11U) AND LOCKABLE DOOR

PRODUCT

The lectern V is a furniture series with a 19" module (11U) that is ideal for accommodating media technology. The 19" module has a lockable glass door to protect the technology. The lectern V includes a high chassis, a lectern module with protective strip and a 19" module.

With individual optional modules available, you have the option of putting together a customized solution that is precisely tailored to your requirements.

The appearance of the lectern V can be customized in terms of colour. The illustration shows a custom-made product in platinum white decor and with a special paint finish in RAL 9016 traffic white. We would be happy to create a customized solution for you.

(Standard: chassis RAL 9007 gray aluminum, front panel; RAL 7016 anthracite gray; decor: platinum white W980 ST7)
