MEDIASTELE SMART-M

PRODUCT

Mediastele Smart-M: elegance meets performance

Discover a new dimension in presentation technology with the Mediastele Smart-M, which combines design and functionality to perfection. The elegant Mediastele Smart-M impresses with its stylish appearance and a slim, slender column that securely holds displays up to 98 inches in size and weighing up to 100 kg.

Features that inspire:

Stylish design: the clean and modern appearance of the Mediastele Smart-M blends seamlessly into any environment. The slim design column effortlessly supports large screens and enhances any meeting or presentation.

High-quality materials:

The body in the standard version shines in RAL 9016 traffic white, while the base plate in RAL 7016 anthracite gray offers an attractive contrast. The lower front panel is presented in elegant platinum white decor.

Individual customization:

Customize the Mediastele Smart-M to your personal preferences. The powder coating can be individually designed according to the RAL Classic color system to match your interior or corporate design.

Wide range of equipment options:

With the Mediastele Smart-M, you have a wide range of equipment options at your disposal, providing perfect support for your next meeting.

Rely on the Mediastele Smart-M to enrich your rooms with a combination of elegance, functionality and individual adaptability.
