SPECIFICATION SHEET WWW.CONEN-SYSTEMS.COM

TWO WHITEBOARD SIDE WINGS

FOR MOUNTING ON THE DISPLAY

PRODUCT

Our side wings are writable on both sides with whiteboard markers, dry wipeable and magnetic. The side wings are delivered including hinges and top and bottom bar for stable connection of the wings with the frame.

Matching side wings are available for all touch screen displays on the market. Please state the manufacturer of your touch screen display behind the item number when ordering.

FEATURES

- Dry erase and magnetic
- Includes brackets to attach wings to display mount
