PROJECTION SCREEN WITH ROBUST CHASSIS - "CARAT"

W/H: 350X300 CM, WITH CRANK HANDLE

PRODUCT

Mobile projection screens are the ideal solution if the furnishings do not allow a fixed installation or if a quick and easy presentation set-up is required in possibly different premises. Optimal at trade fairs, in churches, conference or training rooms .

The standard color of the aluminum housing (W 19 x H 19 cm) and the chassis are RAL 9016 Traffic White.

Other colors are optional according to RAL Classic, please contact us!

You can choose between a motor or crank drive. The drive is located on the right side from projection direction and the lid can be operated manually. The optimal flatness is guaranteed by the robustly designed scissor joints.

Due to the four easy-running rollers of the chassis, the projection screen is mobile and flexible in use at any time.

Accessories
