FRAME SCREEN - "BRILLIANT-L"

W/H: 604X349 CM EXTERNAL DIMENSION

PRODUCT

Frame screens are characterized by an elegant, timeless design and are the ideal choice for fixed installation, both in private and professional environments. The Brilliant-L is suitable for training, seminars and conferences but also for your home theater.

The standard color of the aluminum profile frame (W 10 x D 4 cm) is RAL 9016 traffic white. If desired, you can receive the frame free of charge in anodized aluminum. Other colors are available according to RAL Classic optional, contact us gladly!

You can get the photo wall in different formats and designs.

The Brilliant-L is suitable for direct wall mounting. The wall mounting is done by means of four, in mounting grooves movable, mounting brackets. Up to a frame size W 450 x H 300 cm, the installation depth is about 6 cm. From a frame size W 451 cm, the Brilliant-L is equipped with a center brace and the installation depth is about 9.5 cm.

The screen is mounted with the help of the tab clamps on the back of the frame. The delivery of the frame screen is disassembled.
