## MEDIA STELE TO HOLD DISPLAY UP TO 98" "SMART-S"

FREESTANDING, WITH BASE PLATE

### PRODUCT

The elegant Mediastele Smart is characterized by its stylish appearance and many additional modules. Available is the Mediastele Smart-S with a slim, narrow column for displays up to max. 98" and 100 kg payload.

The wider variant Mediastele Smart-XL takes displays up to 98" and 150 kg payload.

Our Mediastele Smart impresses with its elegant and modern design and many equipment options, making it the perfect support for your next meeting.

The clear design of the Mediastele Smart includes a white body in the HKS standard version, which is powder-coated in RAL 9016 Traffic White. The base plate and the accessories of the media stele are powder-coated in RAL 7016 anthracite gray.

The front panels are made of the decor platinum white. In order to customize the Mediastele Smart not only in its functionality, you can change the powder coating with us to RAL Classic.

More decors for the media stele on request.
