MOBILE TV CABINET WITH ELECTRIC HEIGHT ADJUSTMENT "VSM ELECTRIC"

SILVER ANODIZED COLUMN, 50 CM SLIDING MOVEMENT, TV LOWBOARD

PRODUCT

Electrically height-adjustable TV cabinet.

TV cabinet with two hinged doors at the front and two adjustable shelves, one on the right and one on the left. Two cable apertures ensure easy cable management. The TV lowboard comes with 6 trumpet feet and 6 rubberized smooth-running castors, two of which are lockable. Use the trumpet feet if you want to position your display stand in front of a wall (no wall connection required) or freely in the room. Or opt for maximum flexibility and use the 6 rubberized smooth-running castors. The TV cabinet is supplied in white decor, including two hinged doors in white. Other decors are possible.

The SCETASBN comes with an electrically height-adjustable pylon column with a 50 cm stroke.

The monitor stand accommodates displays from 55" - 86" screen diagonal, with VESA 200x200 to 800x600 and up to a maximum of 136 kg.

The system comes disassembled in a packaging unit.

FEATURES

- Mobile TV cabinet for use with displays up to 86"
- Easy display mounting thanks to bracket with quick-release mounting rails
- Display holder takes cable management into account
- The motor system is securely installed inside the aluminum lifting column and provides 50 cm of lift
- A cable control unit is included in the scope of delivery
- The TV cabinet comes with two adjustable shelves, 6 trumpet feet and 6 castors with a diameter of 75 mm as standard
