

ROLLINGRACK, MOBILE SHELF WITH SWIVEL PANEL

W/H/D: 165X190X44 CM

PRODUCT

Innovative design for creative working environments: This mobile shelf combines storage space with a practical swivel board. The black steel frame ensures stability and a modern look. The runner can optionally be fitted with castors, guaranteeing easy mobility. Three shelves provide sufficient space for documents and office supplies.

The special feature is the swivel board at the front made of anthracite-colored sheet steel and a cork back, ideal for presentations or as a pin board.

A multifunctional piece of furniture that offers both storage space and a creative work surface.
